EXTERIOR COLOR, MATERIALS AND
FINISH DESIGN CONSULTANTS FOR
THE BUILT ENVIRONMENT

STUDIO C ONOVER

CELIA CONOVER
Cecelia Conover (better known as Celia) was born in Phoenix, AZ and earned a BFA in Graphic Design from Arizona State University. She started a graphic design company with her husband David in 1985 and began working exclusively with architectural exterior color, materials & finishes in 1995. She can be reached at: cc@studioconover.com / 619.238.1999 x103 / 3131 Reynard Way San Diego CA 92103

WHAT WE DO
We develop comprehensive exterior color programs. These programs include the selection of color, materials and finishes for the exterior architectural features for any given project.

HOW WE WORK
We collaborate with Architects, Developers, Landscape Architects, Interior Designers, Homeowners, Contractors and Subcontractors to maximize the project's exterior appearance.

WHO WE WORK WITH
We consult for a diverse list of clients responsible for designing and developing institutional, hospitality, retail and residential projects, and with architects who specialize in restoration or renovation of historic properties. We also consult with Product Manufacturers during the early product introduction and product refinement stages.

Please refer to the following partial client list for more information.

PARTIAL PROJECT LIST

INSTITUTIONAL

UC San Diego Historic consultation for exterior color and materials for some of the campuses historic properties includes Old Scripps Building, Old Director's House, Sverdrup Hall, Ritter Hall, Hubbs Hall, Tenaya and Tioga Halls, Tuolumne Apartments. In addition to those, Celia has provided ongoing consultation for over 30 years with UC San Diego to develop a master exterior color program which includes scheme development for all new construction, remodels, and repaints. Project examples of schemes developed in collaboration with the architects and CPM (formerly FD&C) include: Franklin Antonio Hall and Center for Novel Therapeutics with Perkins+Will Architects; North Torrey Pines Living & Learning Neighborhood, Epstein Family Amphitheater, Structural & Materials Engineering and Robert Paine Scripps Forum with Safdie Rabines Architects; Students Services Facility with Rob Wellington Quigley; Charles David Keeling Apartments with Kieran Timberlake Architects; San Diego Supercomputer Center with EHDD Architecture; Conrad Prebys Music Center with LMN Architects; Skaggs School of Pharmacy and Pharmaceutical Sciences, Powell-Focht Bioengineering Hall, and Shiley Retina Glaucoma Center with CO Architects.

UC Santa Barbara collaboration for exterior color and materials for the campus includes: the Classroom Building with LMN Architects; Henley Hall with KieranTimberlake and Engineering Sciences Building with CO Architects
